Les produits repris dans la rubrique "STANDARD" peuvent être utilisés avec n'importe quel système de recouvrement fabriqué par Luxmetall Belgium.

Die Produkte, die hier unter der Rubrik "STANDARD" aufgelistet sind, können nach Bedarf für jedes der von Luxmetall Belgium hergestellten Bedachungssysteme Anwendung finden.

De producten, die onder het item "STANDAARD" worden vermeld, kunnen naar behoefte voor elk door Luxmetall Belgium geproduceerd dakstelsel worden verwerkt.

The products mentioned under "STANDARD" can be processed in combination with every roofsystem manufactured by Luxmetall Belgium.

Los productos incluidos en el listado de "ESTANDAR" pueden ser utilizados para todos los sistemas de tejado fabricados por Luxmetall Belgium.
